

Biopharmaceutical Products in the U.S. and European Markets

6th edition

by Ronald A. Rader

Acknowledgements

The author particularly thanks his wife, Sally A. Young, for her invaluable assistance and making this book possible. Special thanks are also due to the author's mother, Goldye Rader, for her support.

The author thanks the many persons throughout the biopharmaceutical industry, FDA, and other organizations for the information and assistance they provided.

Title: *Biopharmaceutical Products in the U.S. and European Market*
Edition: 6th edition
ISBNs: 2 volume set: 978-1-934106-04-4 (old format: 1-934106-04-6)
